

KENDALL

3-Way Floorstanding Speaker

This stunningly beautiful floorstanding loudspeaker, aptly named after Kendall Square in Cambridge, Massachusetts, the birthplace of KLH, is our flagship electrodynamic 3-way bass-reflex loudspeaker. It features woven Kevlar drivers with powder-coated die-cast aluminum baskets, braided tinsel leads, custom designed crossovers, an anodized aluminum tweeter with linear response faceplate, and much more, and all in real wood veneers. The Kendall loudspeaker effortlessly reproduces the artist's original soundtrack recording with such astonishing natural detail and deep visceral bass, that you will swear you're sitting at a live concert venue.
