

MODEL THREE

2-way, 8" Acoustic Suspension Loudspeaker

KLH introduces the Model Three as an innovative, compact system that rivals the largest of loudspeakers. The mid-century modern Model Three reflects the iconic styling and musical integrity unique to the KLH brand while providing a solution for music enthusiasts with smaller listening spaces. Built on the acoustic suspension design principle and advanced technology, the Model Three has very similar characteristics and performance to the KLH Model Five. Don't let the size fool you. Music will pour out of the Model Three's drivers to command every room, big or small.
