Depth	19" (48.3cm) W/Included Outrigger Feet 17.5" (44.5cm) W/O Outrigger Feet
Weight:	59 lbs.(28.8kg)
Included Accessories	Black Powder Coated 3/8" Black Steel Outrigger Feet
Item Number	English Walnut – KLHF00083 Black Oak – KLHF00084

- Handcrafted in Canada by skilled artisans using only the finest furniture-grade wood veneers harvested from North American sustainable forests.
- Structurally reinforced 3/4" MDF enclosure to suppress internal resonances which color sound.
- High-efficiency 1" titanium dome suspension tweeter with ferrofluid-cooled ceramic motor structure, resulting in improved linearity for smooth, clean, and effortless sound.
- The mid-bass and dual bass drivers feature non-resonant die-cast aluminum baskets with butyl rubber rolled surrounds for superior power handling and efficiency.
- Custom-designed multi-element crossover network utilizing premium iron core inductors and mylar capacitors.
- Dual 5-Way gold-plated binding posts.
- Powder-coated 3/8" heavy-duty steel outrigger feet with adjustable decoupling spikes.
- Packaging made from recycled cardboard and EPE to reduce carbon footprint and protect our environment.
- Industry-leading 10-year warranty.
